DOMAINE DE LA ROMANÉE-CONTE LIBRARY COLLECTION

Domaine de la Romanée-Conti is one of the most iconic and highly prized wine estates in the world. Based in Burgundy, France, DRC is known for its concentration of celebrated vineyard in and around Vosne-Romanée, producing wines are often described as intensely expressive of their terroir, with a distinctive combination of depth and finesse. In the glass they tend to show layered complexity, elegant textures, and aromatics that can range from red and dark fruit to florals, spice, and earthy/mineral nuances, with styles that frequently gain additional refinement with age. Because production is limited and demand is global, DRC bottles are also strongly associated with rarity, prestige, and long-term cellaring potential.

OPUS LIBRARY COLLECTION

Opus One is the realized dream of two men: Baron Philippe de Rothschild of Chateau Mouton Rothschild in Bordeaux and Napa Valley vintner Robert Mondavi. Together, our founders set out to create a single wine dedicated to the pursuit of uncompromising quality. This singular mission shapes every vintage, today and for generations to come. Great winemaking begins in the vineyard.

When our founders created Opus One, they dreamed of a great wine that would transcend generations. Nearly four decades later, we continue to refine the complex subtleties of Opus One by honoring traditional methods and the continual pursuit of innovation and improvement.
